Supplier Code of Conduct

Preamble
Lindt & Sprüngli, a leading international chocolate manufacturer, is committed to conducting its business in an ethical, legal, environmentally and socially responsible manner. We expect similar principled conduct from everyone with whom Lindt & Sprüngli has commercial dealings. Further, Lindt & Sprüngli strives to continuously improve the sustainability of its operations and products and encourages its Suppliers to participate in this effort by adopting sustainable practices in their operations.

The Lindt & Sprüngli Supplier Code of Conduct (the “Code”) sets out the requirements expected of our Suppliers regarding compliance with laws and regulations, corruption and bribery, social and working conditions, and protection of the environment. The Code is guided by our commitment to respect human rights, as outlined in our Human Rights Policy, which is guided by the UN Guiding Principles on Business and Human Rights, International Bill of Human Rights; International Labour Organization (ILO) Declaration on Fundamental Principles and Rights at Work and core International Labour Standards; the OECD Guidelines for Multinational Enterprises and the UN Global Compact principles. We expect our Suppliers to commit to respect human rights and to comply with applicable local laws and regulations, uphold the commitments of our Human Rights Policy, and adopt similar policies and practices within their own operations.

Our goal is to work with our Suppliers to assure full compliance with these requirements as they, in turn, take the responsibility to implement these requirements and necessary due diligence processes with their own employees, agents, temporary workers, subcontractors, homeworkers, Suppliers and sub-suppliers with whom they work in the delivery of goods and services to Lindt & Sprüngli.

Compliance with laws and regulations
Suppliers shall comply with all applicable domestic and international laws and regulations, industry standards, and all other relevant statutory requirements whichever requirements impose the highest standards of conduct.

Doing business with integrity
Suppliers shall conduct their business in accordance with the highest ethical standards. Suppliers shall comply with all applicable domestic and international laws and regulations, particularly concerning corruption, bribery, anti-trust/competition, intellectual property, and conflicts of interest.

**Anti-Corruption / Anti-Bribery:** Suppliers shall not, directly or indirectly, engage in any act of corruption, extortion or embezzlement, nor in any form of bribery. This includes but is not limited to the promising, offering, giving or accepting of any improper monetary or other incentive such as bribes, unreasonable business entertaining and gifts as well as kickbacks.
Anti-Trust / Free Competition: Suppliers shall commit to the principle of free competition and not engage in collusive bidding, price fixing, price discrimination, or other unfair trade practices.

Intellectual Property: Suppliers shall respect the intellectual property of others. Suppliers shall take appropriate steps to safeguard and maintain confidential and proprietary information or trade secrets of its business partners and use such information only for the purposes authorized in contractual agreements. In case of subcontracting, sharing of confidential information of Lindt & Sprüngli should only be made with the consent of Lindt & Sprüngli.

Conflicts of Interest: Suppliers will disclose to Lindt & Sprüngli any situation that may appear to be a conflict of interest, and shall disclose to Lindt & Sprüngli if any employee from Lindt & Sprüngli, one of their family members, or a friend may have an interest of any kind in Supplier’s business or any kind of economic ties with Supplier.

Social and working conditions
Suppliers shall recognize and be committed to upholding the human rights of their employees and treat them with dignity and respect as understood by the international community. Our Suppliers shall respect the following standards, irrespective of the applied working arrangement, be it direct employment, labor contracting, subcontracting, homeworkers or any other form.

Freely Chosen Employment: Suppliers shall not, under any circumstances, use forced, bonded or indentured labor, involuntary prison labor, or any forms of slavery. Employment must always be voluntary.

Child Labor Avoidance: Suppliers shall not, under any circumstances, use child labor as defined by ILO and United Nations Convention and/or national law, whichever is more stringent.

Compensation: Suppliers shall comply with all applicable laws, regulations and industry standards concerning wages and benefits. Wages and benefits paid for a standard working week shall meet at least legal or industry minimum standards, or comply with legally binding, freely negotiated collective bargaining agreements, whichever is higher. They should always be sufficient to meet basic needs of workers and their families. Deductions from wages as a disciplinary measure shall not be permitted unless authorized by applicable law and by a freely negotiated collective bargaining agreement in force.

Working Hours: Suppliers shall comply with all applicable laws, regulations and industry standards on working hours. Unless applicable laws, regulations or industry standards are more restrictive, the maximum working hours in a week shall not, on a regular basis, exceed 48 hours and the maximum allowable overtime hours in a week shall not exceed 12 hours. Overtime shall be on a voluntary basis and employees shall be provided with at least one day off for every 7 day period, unless exceptions defined by law or a freely negotiated collective bargaining agreement apply.
Non-Discrimination: Suppliers shall strictly adhere to all applicable laws and regulations prohibiting discrimination in hiring and employment on the grounds of gender, age, religion, political opinion, union affiliation, disability, health condition, national or social origin, sexual orientation, ethnicity or color or other basis prohibited by law.

Harassment, Abuse and Disciplinary Practices: Suppliers shall not engage in physical, mental, verbal, sexual or any other abuse, inhumane or degrading treatment, corporal punishment or any form of intimidation. Suppliers shall comply with local laws and regulations on disciplinary practices.

Freedom of Association and Collective Bargaining: Suppliers shall respect the rights of employees to form and join trade unions and bargain collectively. If Suppliers operate in a country where these rights are impaired by the law, they shall allow their employees to freely elect their own representatives which can enter into dialogue with the Supplier about working conditions.

Health and Safety: Suppliers shall provide their employees with a safe and healthy workplace in compliance with all applicable laws, regulations and industry standards, especially with view to building safety, housing conditions, electrical installations, machine safeguarding and personal protective equipment. Suppliers shall adequately train workers on all aspects of health and safety issues and shall involve workers in the process of identifying and mitigating risks to worker’s health and safety.

Working Conditions: Suppliers shall provide their employees with adequate working facilities which, at a minimum, shall ensure reasonable access to potable drinking water and sanitary facilities; fire safety; access to emergency medical care; and adequate lighting and ventilation.

Environment

Suppliers recognize that environmental responsibility is integral to producing high quality products and strive to continuously improve their environmental performance. Suppliers shall comply with all applicable environmental laws, regulations and industry standards. Suppliers shall implement policies and procedures to identify, prevent and minimize relevant negative environmental impacts. This includes information and training of relevant employees. Further, Suppliers shall comply with any additional environmental requirements specific to the products or services being provided to Lindt & Sprüngli as called for in design and product specifications and contract documents.

Hazardous Substances: Suppliers shall minimize the use of hazardous substances and ensure that all hazardous sub- stances are safely handled, stored and disposed. Suppliers shall inform employees on relevant safety practices and provide appropriate training.

Resources: Suppliers shall minimize their negative impacts on natural resources, including air, land, forests and water as well as ensuring animal welfare. Suppliers shall optimize their resource consumption, including raw materials, water and energy.
Waste & Emissions: Suppliers shall minimize disposal of solid waste, wastewater and other emissions to prevent pollution of air, water and soil. Suppliers shall strive to minimize their greenhouse gas emissions.

Communication and implementation
Suppliers shall effectively communicate the content of this Code to all their employees, agents, subcontractors, Sup-pliers and sub-suppliers with whom they work with in the delivery of goods and services to Lindt & Sprüngli and conduct due diligence to assure its implementation.

Subcontractor and Supplier management
Suppliers shall conduct due diligence on their subcontractors, Suppliers and sub-suppliers in order to verify compliance with the Code. Suppliers shall therefore assess the risk for potential breaches of the Code in their own supply chains, which may include farms and plantations, and implement adequate compliance monitoring measures based on this risk assessment. If non-compliances are identified, Suppliers shall take necessary improvement measures or cease business with subcontractors, Suppliers and sub-suppliers if no improvements can be achieved.

Monitoring/record keeping
Suppliers shall maintain documentation appropriate to demonstrate adherence to the Code for its own operations. Suppliers shall also maintain documentation on the due diligence process in their own supply chains, including agricultural production. Suppliers shall provide Lindt & Sprüngli with this documentation and other information demonstrating adherence to this Code upon Lindt & Sprüngli’s request.

Assessments and potential impacts on business relationship to Lindt & Sprüngli
Suppliers shall conduct regular internal assessments to assure their compliance with the Code. Accordingly, Suppliers shall participate in any sustainability assessment conducted by Lindt & Sprüngli or a third party appointed by Lindt & Sprüngli. Additionally, Lindt & Sprüngli reserves the right to conduct (or have its designee conduct) unannounced inspections of Suppliers and their facilities to verify compliance with the Code.

Suppliers shall inform Lindt & Sprüngli if any agreements with other partners stand in contradiction to this requirement, in which case Lindt & Sprüngli will ensure the inspection is carried out by a third party, respecting concerned agreements. In addition to any other contractual rights of Lindt&Sprüngli, Suppliers’ failure to adhere to the Code may result in Lindt&Sprüngli ceasing to do business with offending Suppliers.
Identify Concerns and Speak Up

Suppliers shall encourage their employees to report concerns of unlawful activities without the fear of any retaliation. Reports should be treated confidentially, unless otherwise required by law. Suppliers shall investigate such reports and take corrective measures if needed. Suppliers shall notify Lindt & Sprüngli of legal actions, administrative investigations, or prosecutions that may affect their performance of Lindt & Sprüngli’s business or that could negatively impact the Supplier’s and Lindt & Sprüngli’s reputation.

If a Supplier or one of its workers witnesses unlawful activities or suspects violations of this Supplier Code of Conduct, the Supplier or its worker is encouraged to report its concerns to the responsible person using the Lindt & Sprüngli Speak Up Line. Suppliers may also call the Lindt & Sprüngli Speak Up Hotline (24/7). It includes provisions for safe engagement, confidentiality, anonymity (where legally permitted), and raising concerns in multiple languages. For more information go to https://lindtspruengli.integrityline.com.

If a Supplier or one of its workers believes that an employee or a representative of Lindt & Sprüngli has violated the Lindt & Sprüngli Business Code of Conduct or the Human Rights Policy, the Supplier or its workers are encouraged to report their concerns to the Speak Up Line at https://lindtspruengli.integrityline.com.
